True Victory in Jesus

*But thanks be to God, who gives us the victory
through our Lord Jesus Christ.*

1 Corinthians 15:57 (NKJV)

When you invite Jesus to live in your heart, you don't have to wait until Heaven to begin living the abundant life that He promises in John 10:10. In other words, through *passionate prayer*, you can have *victory in Jesus!* You can experience joy regardless of what the devil is trying to throw your way, because Jesus paid the price, and the battle has already been won! Don't let the devil get you down and don't listen to his lies about how *unfair* God is treating you.

When life isn't turning out the way you planned, instead of being bitter and angry about the injustices of life, turn your hurt over to your Lord and Savior, and He will fill you up with His peace and joy, and all resentment will melt away! *Life isn't fair, that's true—but God is always fair!*

When you're willing to surrender to Christ and allow Him to fight your battles, an incredible peace washes over you, and it's the best feeling in the world. It is then and only then that you will experience true *victory in Jesus!*
