### ~ Walking With Jesus

### ~ Passionate Prayer

### ~ Choose to Shine

*(Choose one of two titles listed above—same basic theme)*

There are all different kinds of prayers, and ways to speak to our almighty God, King of the universe. You can pray simple prayers about the smallest things to the most passionate prayers when faced with a crisis where you are on your knees pleading your case before the throne room of God. This topic focuses on prayer as a method of communication with God—learning to “talk” with God and sharing your heart—not a memorized poem or letter to God—but speaking to Him as you would your best friend. Prayer is not just to “ask for things,” but to have a more intimate relationship with your heavenly Father and recognize Him as your almighty, powerful God. If you want to get out of the “prayer rut,” and jumpstart your prayer life—this is the topic for you.

### ~ Prayed Up and Ready to Go

Seminar on making “prayer” your ministry—Sharing my grandmother’s story who lived her whole life for Jesus, and the last twenty years of her life, although nearly bedridden—she had an incredible “prayer ministry” constantly praying for the needs of friends, family and whoever called to ask for prayer, praying with or for them—all day long.

### ~ Bend Me, Shape Me, Anyway You Want Me

### ~ Sharing God’s Love

### ~ Out of Your Comfort Zone

*(Choose one of the titles listed above—same basic theme)*

Allowing God to use you—however “He” wants to use you. Learning the importance of letting God take control of your life instead of you making the plans and asking God to bless them. Being willing for God to take you anywhere “He” wants you to go and yielding your will completely to Him and becoming like clay, totally pliable—where God can mold you into anything He wants you to be

### ~ Recognizing God’s Voice

Many people wonder, “how do I know when God is speaking to me? How can I tell if it’s God’s voice, Satan’s voice or my own selfish desires? Learn to discern God’s voice and listen for the Holy Spirit speaking to your heart.

### ~ Becoming Who God Wants You to Be

God has given each of us different talents, abilities, and personalities and He has a special plan already outlined for each one of us. We will never know that plan unless we are willing to surrender our will—for God’s will. When you allow God to have complete control of your life—you will become the person God wants you to be. Trying to do it on your own only ends in failure—every time!

### ~ Faith on Fire

### ~ Sharing God’s Love

### ~ Changing Directions

*(Choose one of the titles listed above—same basic theme)*

All about witnessing- and the importance of sharing your faith by allowing the Holy Spirit to lead and guide. (1 Peter 3:15)

### ~ Recipe for Faith

This is my personal testimony of fully surrendering my life, heart, and soul to Jesus. I tell of when God worked an incredible miracle in my life (involving cookies)—to show me just how much He loves me, that He didn’t just love “the whole world” like one big collective group of people—but that He loves each of us personally and desires an intimate relationship with all His children.

### ~ Jesus, Healer of Hearts

### ~ Forgive, Forget, Move on With Jesus

*(Choose one of two titles listed above—same basic theme)*

All about forgiveness—whenever you’ve experienced pain, whether it’s because of domestic violence, emotional pain & suffering, or any other wrong that has been done against you – forgiveness is the only way to move on with your life and experience true joy and happiness.

~ **\*Battered to Blessed** – my book about my personal experience of surviving domestic violence.
